

Build a Platformer Game

Jump. Build. Collect. Create
Your Own World.

LUX AI KIDS WORKSHOP

BUILD A PLATFORMER GAME

Jump. Build. Collect. Create Your Own World.

Ages 9-13 | Builder Level | 2.5 Hours

WHAT KIDS WILL LEARN

- How platformer games work
- Level design basics
- How to create fun challenges
- Power-ups and collectibles
- Sprites design and animation
- Game testing and playtesting
- How to pitch their game idea

★ 7 EPIC MISSIONS. 1 AMAZING GAME. ★

- 1 Anatomy of a Platformer**
Discover the parts of a platformer game.
- 2 Design Your Hero**
Create your hero, skills, and backstory.
- 3 Level 1: The Tutorial**
Build a fun first level for new players.
- 4 Level 2: The Challenge**
Create a harder level with traps and enemies.
- 5 Power-Ups & Collectibles**
Design rewards and awesome power-ups.
- 6 Sprites Design Workshop**
Draw characters, enemies, and animations.
- 7 Game Pitch & Blueprint**
Plan your game and pitch your big idea.

COMPLETE WORKSHOP PACKAGE

Mission 1: Anatomy

Find the hero, platforms, danger, rewards, and goal.

Activity: Spot the Parts

Look at a game level and label the parts.

Mission 2: Design Your Hero

Create a hero with a mission and personality.

Hero Power Builder

Pick one fair power that makes the game fun.

Mission 3: Level 1 Tutorial

Teach the player how to move and win.

Tutorial Level Checklist

Start easy. Show the path. Add one tiny challenge.

Mission 4: Level 2 Challenge

Make it harder, but keep it fair.

Challenge Ideas

Moving platforms, spikes, enemies, secrets, and rewards.

Mission 5: Power-Ups

Design helpful items and collectibles.

Power-Up Rules

Make them useful, fair, easy to understand, and fun.

Mission 6: Sprite Studio

Draw characters, enemies, items, and animation frames.

Sprite Tip

Small pictures can show big personality.

Mission 7: Game Pitch

**Tell people what your game is
and why it is fun.**

30-Second Pitch Formula

**Title, hero, goal, challenge,
power-up, feeling.**

Playtest Time

Watch a friend play. Notice what is fun and what is confusing.

Improve One Thing

Great games get better after testing.

Final Project Checklist

Hero, 2 levels, power-ups,
sprites, pitch, playtest notes.

You Did It

You are a Platformer Creator!

Extension

Draw Level 3 or build a digital version with grown-up help.

The image is a promotional graphic for a workshop titled "BUILD A PLATFORMER GAME" by LUX AI KIDS WORKSHOP. At the top, a man in a LUX AI Kids cap and a woman are shown working on a laptop displaying a platformer game. The main title "BUILD A PLATFORMER GAME" is in large, bold letters, with the tagline "Jump. Build. Collect. Create Your Own World." below it. The workshop is for "Ages 9-13", "Builder Level", and takes "2.5 Hours".

Below the title, it says "★ 7 EPIC MISSIONS. 1 AMAZING GAME. ★". The missions are listed in a row of seven boxes:

- 1 Anatomy of a Platformer**: Discover the parts of a platformer game.
- 2 Design Your Hero**: Create your hero, skills, and backstory.
- 3 Level 1: The Tutorial**: Build a fun first level for new players.
- 4 Level 2: The Challenge**: Create a harder level with traps and enemies.
- 5 Power-Ups & Collectibles**: Design new items and awesome power-ups.
- 6 Sprites Design Workshop**: Draw characters, enemies, and animations.
- 7 Game Pitch & Blueprint**: Plan your game and pitch your big idea.

Below the missions, there are three sections:

- PRINT-AND-PLAY ACTIVITY PACK**: Includes a worksheet, story cards, power-up cards, platform cards, coin cards, challenge cards, and a poster.
- TEACHER / FACILITATOR MATERIALS**: Includes a facilitator guide (PDF), a mission booklet (PDF), a teaching deck (PDF), and a slide deck (PDF).
- ORIGINAL VISUAL PACKAGE**: Includes a mission booklet, a mission deck, a mission poster, a mission storyboard, a mission character sheet, a mission enemy sheet, a mission power-up sheet, and a mission collectible sheet.

At the bottom, it says "YOU IMAGINE IT. YOU BUILD IT. YOU PLAY IT. THE WORLD PLAYS IT!" and "All helps. People create." There is also a "COMPLETE WORKSHOP PACKAGE" button.

Assessment

Can students explain their game clearly?

The image is a promotional graphic for a workshop titled "BUILD A PLATFORMER GAME" by LUX AI KIDS WORKSHOP. At the top, a woman and a cartoon character are shown working on a laptop. The main title is in large, bold letters. Below it, the tagline "Jump. Build. Collect. Create Your Own World." is displayed. The workshop is for "Ages 9-13", "Builder Level", and takes "2.5 Hours".
